1 SOCIAL PLATFORM FOR OPEN DATA (SPOD)

This guide is dedicated to the system administrators of SPOD (Social Platform for Open Data) platform to manage how add a new account, how add a new open data portal or delete a room in the Agora and so on.

The available Oxwall Software Documentation describes the following sections, for more details click on this link: <https://wiki.oxwall.com/index>.

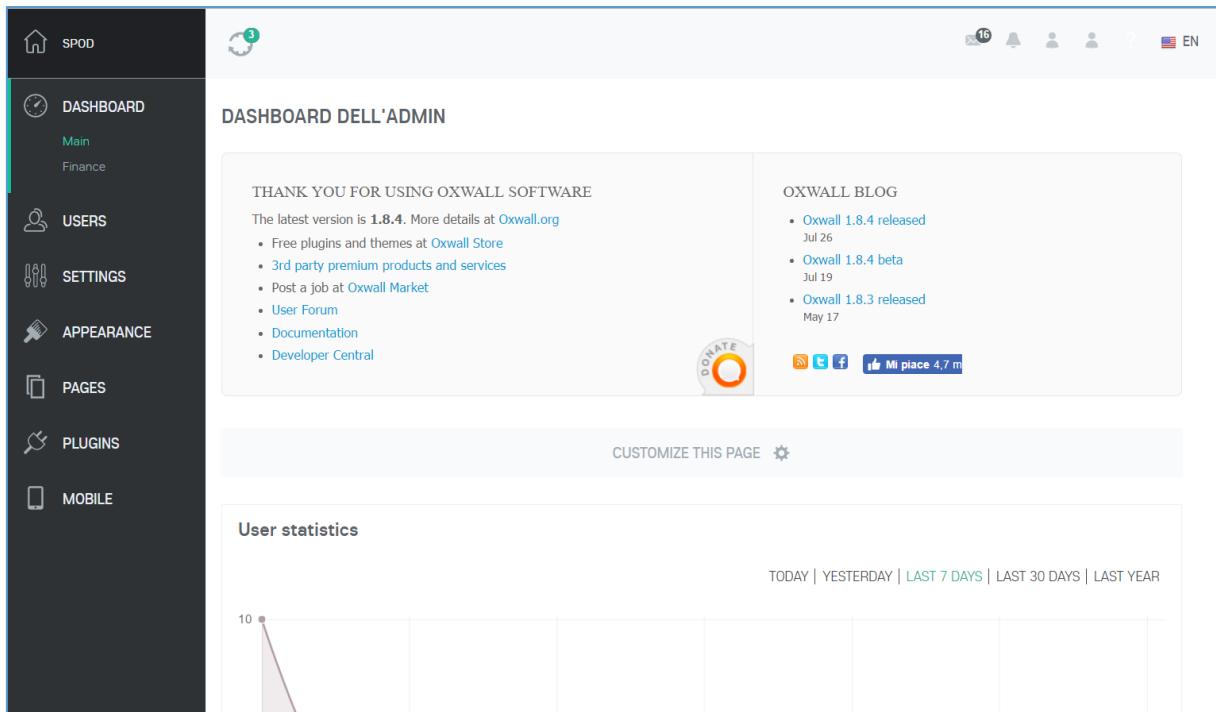

Figure 1: Administration UI dashboard

If you have administrator right on SPOD platform you can:

- To manage languages used on SPOD platform:
 - [How to manage the languages on the site?](#) explains how editing existing languages values in the edit Language areas; how to upload a language packs, how translate my site to another language, how backup the language; how delete/deactivate the language. (See more details in this document in the section 7).
- Management of plugins in SPOD (see section: Management of plugins in SPOD section)

2 REGISTRATION PROCESS

The registration process allows to enable the registration of a new user or add manually a new user.

After logging of a user with administrator right on OpenId, click on the following link to manage the accounts:

- http://xxxx.routetopa.eu/openid/index.php/admin_users

change **xxxx** with name of your platform (e.g.: prato.routetopa.eu (Prato Pilot), groningen.routetopa.eu (Groningen Pilot), issy.routetopa.eu (Issy Pilot), denhaag.routetopa.eu (Den Haag Pilot), Dublin spod.routetopa.eu (Dublin Pilot).

The following page is showed:

All features will be detailed in the following sections:

- (1) Dis/Enable user registration (see 2.1 section)
 - (2) Create a new user account (see 2.2 section)

2.1 DIS/ENABLE USER REGISTRATION

To dis/enable the registration of a user, click on the “Disable User Registration” button; user registration are open, i.e. the users can sign-up through SPOD platform.

administrator@email.com Your profile Admin Log out EN

Manage OpenID accounts

User registrations are **open**: users can sign-up through SPOD. [DISABLE USER REGISTRATION →](#)

[ADD NEW ACCOUNT →](#)

Role	UUID	Email		
admin	0-047-56-206-1000-01-1-10076600-1-0	email.com	edit	del
		@email.com	edit	del

This project has received funding from
European Union's Horizon 2020 research and
innovation programme under grant agreement
No 645860.

2.2 CREATE A NEW USER ACCOUNT

The first step

You must know the e-mail of a user, for example create a test user:

TestUser = Mary@routetopa.eu

You can use any software on line to generate an initial password that the user can reset the password

For example, you can use the following:

<http://www.generate-password.com/>

Now your test User has the following login and password:

Login = Mary@routetopa.eu

Password = 2sOro3NVT6

You are ready to create a new user in SPOD, see the following section.

The second step

After logging of a user (the user must be administrator role), click on the following link to manage the accounts:

- http://xxxx.routetopa.eu/openid/index.php/admin_users

change xxxx with name of your platform (e.g.: prato.routetopa.eu (Prato Pilot), groningen.routetopa.eu (Groningen Pilot), issy.routetopa.eu (Issy Pilot), denhaag.routetopa.eu (Den Haag Pilot), Dublin spod.routetopa.eu (Dublin Pilot)).

The following page is showed:

The screenshot shows a web application interface for managing OpenID accounts. At the top right, there are links for 'webmaster@routetopa.eu', 'Your profile', 'Admin', 'Sign out', and a language switcher ('EN'). Below the header, the title 'Manage OpenID accounts' is displayed in blue. A teal button labeled 'ADD NEW ACCOUNT →' is positioned above a table. The table has columns for 'Role', 'UUID', 'Email', and actions ('edit', 'del'). There are two rows of data, both labeled 'admin'. At the bottom of the page is a blue footer bar containing a European Union flag icon and text about funding from the Horizon 2020 research and innovation programme under grant agreement No 645860.

Click on the “Add new account” button and the following page is shown:

The screenshot shows the 'Edit OpenID account' page. The header includes links for 'webmaster@routetopa.eu', 'Your profile', 'Admin', 'Sign out', and a language switcher ('EN'). The main content area contains three input fields: 'E-mail', 'Password', and 'Confirm password'. Below these fields are two buttons: 'SAVE →' and 'CANCEL ×'. At the bottom of the page is a blue footer bar containing a European Union flag icon and text about funding from the Horizon 2020 research and innovation programme under grant agreement No 645860.

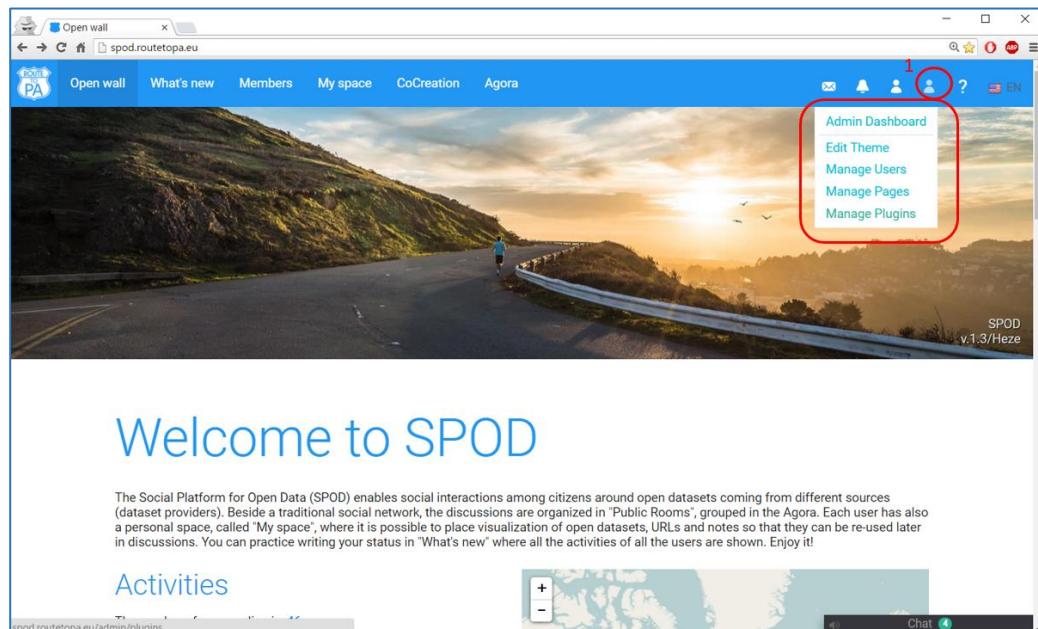

Fill out details as “E-mail”, “Password”, “Confirm password” fields and a new user is added on SPOD platform.

When a new user logs to the platform the first time, s/he must complete his/her profile with “Real name”, Gender, Birthday information:

The screenshot shows the 'Complete your profile' page. At the top, there's a blue header bar with links for 'Complete profile', 'Open wall', 'What's new', 'Agora', 'My space', and 'Members'. On the right side of the header, there are icons for messaging, notifications, user profile, help, and language selection (EN). Below the header is a banner with a road and sunset image. The main content area has a title 'Complete your profile' and a sub-section 'Required profile questions' under 'Basic'. It includes fields for 'Real name' (with placeholder 'First name and Last name'), 'Gender' (radio buttons for Male and Female), and 'Birthday' (dropdown menus for Day, Month, and Year). A 'CONTINUE' button is at the bottom right. At the very bottom of the page, there are links for 'TERMS OF USE', 'PRIVACY POLICY', 'FEEDBACK', 'VIDEO MANUAL', and 'DOWNLOAD MANUAL'. A funding notice from the European Union's Horizon 2020 research and innovation programme is also present. The footer contains a 'ROUTE TO PA' logo, 'ONWALL SOFTWARE', and a 'Chat' section.

3 MANAGEMENT OF PLUGINS IN SPOD

You can open admin dashboard by clicking on the right corner of the top navigation bar, the second user icon (named number one, see screenshot below):

and select “Manage Plugins” from the menu and the administrator panel is showed (see below screenshot)

The screenshot shows the ISSY administrator interface. On the left is a dark sidebar with navigation links: DASHBOARD, USERS, SETTINGS (which is selected), APPEARANCE, PAGES, and PLUGINS. Under PLUGINS, there are sub-links for Installed Plugins (with options Available Plugins and Add New) and MOBILE. The main content area is titled "Co-Creation Space for Knowledge and Data" and "SPOD Co-Creation Space for collaborate to create knowledge or dataset". It features a "Contact Us" section, a "Friends" section, an "Image Slideshow" section, a "Messages" section, a "Newsfeed" section, and a "Photo" section. Below these are sections for "Privacy", "SPOD AGORA EXPORTER", "SPOD APIs", "SPOD Notification System", "SPOD Open Data Enabler", "SPOD Open wall", "SPOD OpenID Connect", "SPOD Private Room", "SPOD Public Room", and "SPOD THREADED CHAT". At the bottom of the list, there is a section titled "Inactive Plugins". The top right corner shows user icons and language settings (EN). The bottom right corner has a "Chat" button.

And select the plugin to setting, for example, clicking on the “SPOD Public Room” plugin to delete, or rename a room click on the “SETTINGS” link.

The screenshot shows the SPOD platform's admin interface. On the left is a dark sidebar with navigation links: DASHBOARD, USERS, SETTINGS, APPEARANCE, PAGES, PLUGINS, and MOBILE. Under PLUGINS, there are sections for Installed Plugins (listing SPOD Agora, SPOD APIs, SPOD Notification System, SPOD Open Data Enabler, SPOD OpenID Connect), Available Plugins, and Add New. The main content area displays various platform features like Contact Us, Events, Friends, Image Slideshow, Messages, Newsfeed, and SPOD AGORA EXPORTER. A red box highlights the 'SPOD Agora' entry under the Installed Plugins section. To the right of the highlighted entry are three buttons: SETTINGS, DEACTIVATE, and UNINSTALL.

3.1 ADD OR DELETE A NEW OPEN DATA PORTAL IN THE CONTROLLET

In the admin panel of the “Installed Plugin” page within SPOD platform, select, among the Active Plugins, “SPOD Open Data Enabler” plugin and click on the “Settings”

This screenshot shows the same SPOD platform admin interface as the previous one, but with a different focus. The red box now highlights the 'SPOD Open Data Enabler' entry under the Installed Plugins section. The 'SETTINGS' button to its right is also highlighted with a red box.

A new window appears and click on the “PROVIDERS” tab to fill out the open data provider field (e.g. NAME, OPEN DATA URL) to add a new open data portal, at last click on “Create cache” link, it requires a few time.

To delete an open data portal, click the button with an 'X' (see below screenshot red highlighted with 1) and at last click on “Create cache” link (see below screenshot red highlighted with 3), it requires a few time.

3.2 DELETE, RENAME A ROOM IN AGORA

In the admin panel of the “Installed Plugin” page within SPOD platform, select, among the Active Plugins, “SPOD Agora” plugin and click on the “Settings”

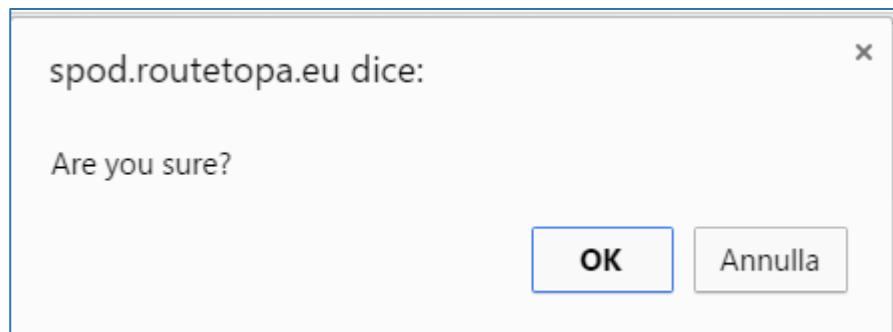

To delete a room, you must click the button with ‘X’ at left side of a selected room to delete; for example in the below screenshot, the button with ‘X’ highlighted in red, allows to delete a room with subject “Purchase order over 20000” and a dialog appears to confirm the room to delete:

AGORA

Is visible for not logged users

SAVE

SUBJECT	BODY	# COMMENTS	# OPEN DATA	CREATED
X Tutorial Agora	Agora dimostrativa	7	2	2017-03-22 11:22:52
X Dati Storici Prato	Georiferire Dati Storici su I	3	0	2017-03-18 20:58:50
X Protezione Civile	Aggiornamenti dalla Protez	3	0	2017-01-17 00:50:39
X Alberi	Ciao a tutt*, mi chiedevo s	14	2	2017-01-02 21:30:40
X Raccolta Differenziata	Dati sulla raccolta differen:	4	0	2016-12-28 21:52:59

Indeed, to rename a room of the Agora click a room name on the “SUBJECT” Column (see screenshot below)

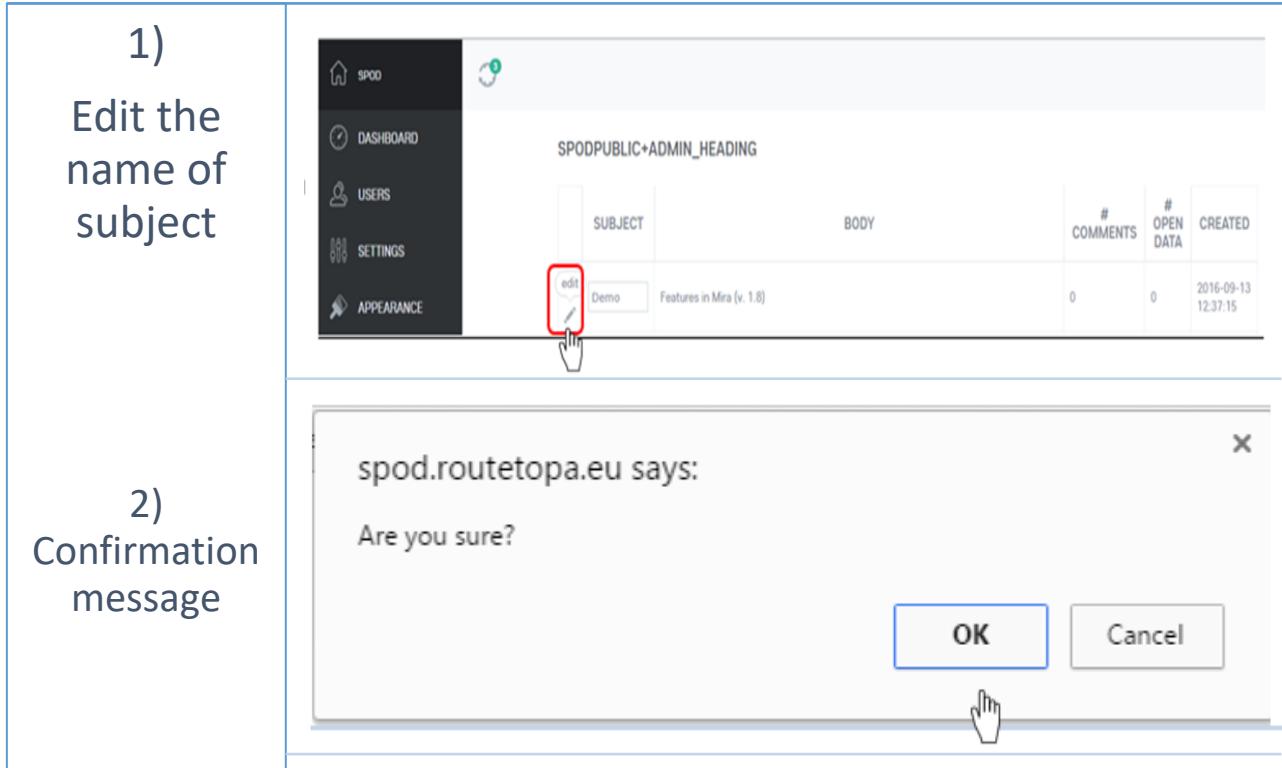

AGORA

Is visible for not logged users

SAVE

SUBJECT	BODY	# COMMENTS	# OPEN DATA	CREATED
Tutorial Agora	Agora dimostrativa	7	2	2017-03-22 11:22:52

Then, click on the  edit icon and confirmation message appears (see below screenshot):

1) Edit the name of subject

2) Confirmation message

3.3 EXPORT DISCUSSION

(Not yet available from SPOD 2.1 onwards)

3.3.1 DISCUSSION IN AGORA

In the admin panel of the “**Installed Plugin**” page within SPOD platform, select, among the Active Plugins, “**SPOD AGORA EXPORT**” plugin and click on the “**Settings**”

The screenshot shows the 'Installed Plugins' section of the SPOD admin interface. The left sidebar has 'PLUGINS' selected, and 'Installed Plugins' is highlighted with a red box. The main area lists various plugins with their descriptions. 'SPOD AGORA EXPORTER' is also highlighted with a red box.

In particular, you can see for each plugin: *SETTINGS*, *DEACTIVATE* and *UNINSTALL*, click on the “*SETTINGS*” link

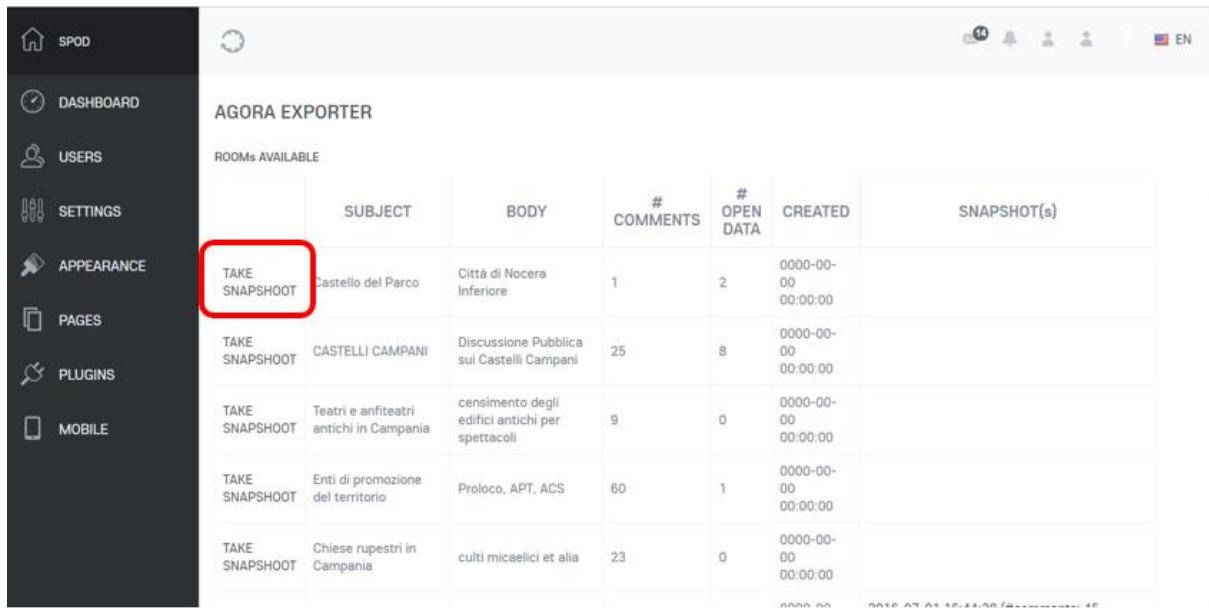

The screenshot shows a plugin settings dialog box for 'SPOD Notification System'. It displays the plugin name, version, and three red links: 'SETTINGS', 'DEACTIVATE', and 'UNINSTALL'.

A new window appears:

The screenshot shows the 'AGORA EXPORTER' plugin settings page. It displays a table titled 'ROOMS AVAILABLE' with columns: SUBJECT, BODY, # COMMENTS, # OPEN DATA, CREATED, and SNAPSHOT(s). Five rows of data are listed:

	SUBJECT	BODY	# COMMENTS	# OPEN DATA	CREATED	SNAPSHOT(s)
TAKE SNAPSHOOT	Castello del Parco	Città di Nocera Inferiore	1	2	0000-00-00 00:00:00	
TAKE SNAPSHOOT	CASTELLI CAMPANI	Discussione Pubblica sui Castelli Campani	25	8	0000-00-00 00:00:00	
TAKE SNAPSHOOT	Teatri e anfiteatri antichi in Campania	censimento degli edifici antichi per spettacoli	9	0	0000-00-00 00:00:00	
TAKE SNAPSHOOT	Enti di promozione del territorio	Proloco, APT, ACS	60	1	0000-00-00 00:00:00	
TAKE SNAPSHOOT	Chiese rupestri in Campania	culti micaelici et alia	23	0	0000-00-00 00:00:00	

To see a discussion of a room, in the table named “**ROOMS AVAILABLE**” click on the “TAKE SNAPSHOT” (on the left side of the screenshot):

	SUBJECT	BODY	# COMMENTS	# OPEN DATA	CREATED	SNAPSHOT(s)
TAKE SNAPSHOOT	Castello del Parco	Città di Nocera Inferiore	1	2	0000-00-00 00:00:00	
TAKE SNAPSHOOT	CASTELLI CAMPANI	Discussione Pubblica sui Castelli Campani	25	8	0000-00-00 00:00:00	
TAKE SNAPSHOOT	Teatri e anfiteatri antichi in Campania	censimento degli edifici antichi per spettacoli	9	0	0000-00-00 00:00:00	
TAKE SNAPSHOOT	Enti di promozione del territorio	Proloco, APT, ACS	60	1	0000-00-00 00:00:00	
TAKE SNAPSHOOT	Chiese rupestri in Campania	culti micaelici et alia	23	0	0000-00-00 00:00:00	

A table with details appears (see screenshots below). See “SNAPSHOT(s)” column of the “ROOMS AVAILABLE” table, where to see the discussion to analyse:

	SUBJECT	BODY	# COMMENTS	# OPEN DATA	CREATED	SNAPSHOT(s)
TAKE SNAPSHOOT	Castello del Parco	Città di Nocera Inferiore	1	2	0000-00-00 00:00:00	2016-10-18 18:22:52 (#comments: 1, #opendata: 2) (delete) (download as JSON) (download as XLS)
TAKE SNAPSHOOT	CASTELLI CAMPANI	Discussione Pubblica sui Castelli Campani	25	8	0000-00-00 00:00:00	
TAKE SNAPSHOOT	Teatri e anfiteatri antichi in Campania	censimento degli edifici antichi per spettacoli	9	0	0000-00-00 00:00:00	
TAKE SNAPSHOOT	Enti di promozione del territorio	Proloco, APT, ACS	60	1	0000-00-00 00:00:00	
TAKE SNAPSHOOT	Chiese rupestri in Campania	culti micaelici et alia	23	0	0000-00-00 00:00:00	
TAKE SNAPSHOOT	Discussione Musei	musei benevento	45	0	0000-00-00 00:00:00	2016-07-01 16:44:38 (#comments: 45, #opendata: 0) (d... Chat 20

To see discussion of a specific room in Excel file, click on the “Download as XLS” link and the download of an Excel file starts. The excel file contains the discussion of each selected room

Another example is the following, to see html page with discussion and datalet click on the link highlighted in green:

AGORA EXPORTER

3.4 HOW TO CUSTOMIZE WHAT'S NEW

In the *What's* page, to customize the page, click on the “CUSTOMIZE THIS PAGE” button

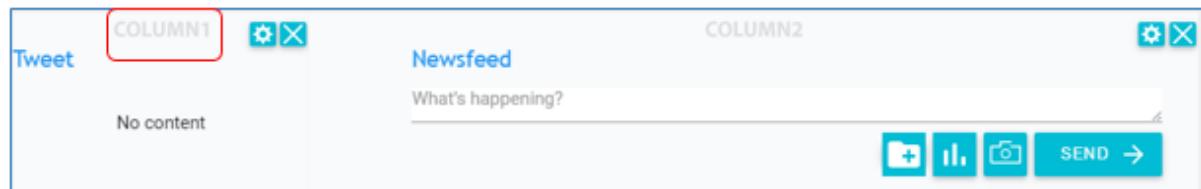

On the right side, new custom widgets (see screenshots (1)) can be to drag'n'drop items on the “COLUMN 1” section (see screenshots (2)))

3.4.1 HOW TO CUSTOMIZE A TWEET: AN EXAMPLE

At first click on the widget and then drug and drop it in the “COLUMN1” section:

When you visit any of the widget arrangement section above, click on the Gear icon just above the widget you want to set its visibility and follow the steps below.

In SPOD platform the new widget, named Tweets, showed below:

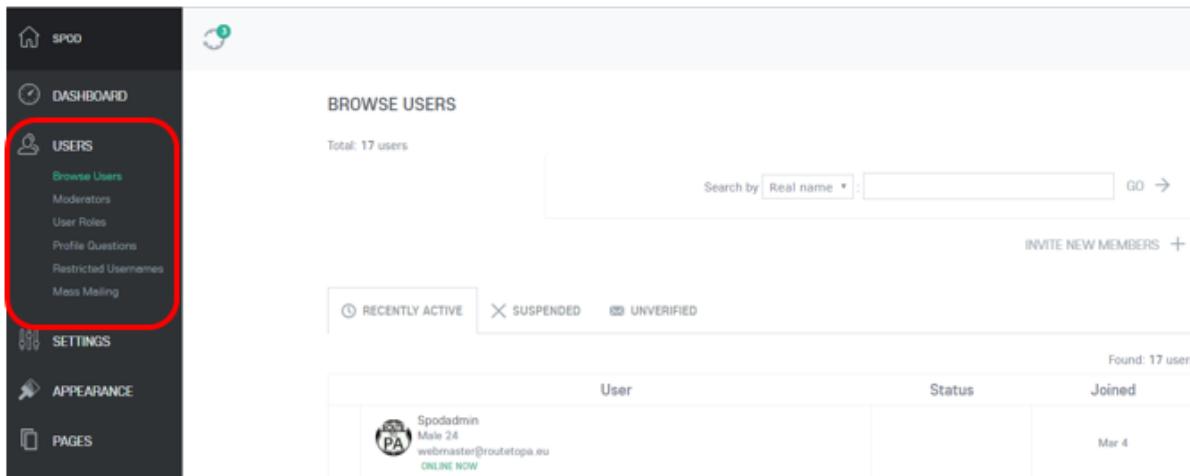

The screenshot shows the SPOD platform interface with the following elements:

- Header:** What's new, Members, My space, Agora, CoCreation.
- SPOD Help:** A sidebar with a welcome message, "Videos online", and "Manual online".
- Tweets Widget:** A red box highlights a tweet from "@RouteToPA" (@RouteToPA) dated Sep 9. The tweet content is: "ROUTE-TO-PA @RouteToPA @RouteToPA #RT2020 @EU_Commission discussions around pilots continue in #Prato". Below the tweet is a small image of two people working on a project.
- Timeline:** A list of activities posted by Platform Administrator and other users, including:
 - Platform Administrator created room WiFi in Prato: coverage extension (Sep 9)
 - Platform Administrator created room WiFi in Prato: coverage extension (Sep 6)
 - Platform Administrator created room WiFi in Prato: coverage extension (Sep 6)
 - Platform Administrator and other users posted 6 comments on room Demo 'Lesath' (v.1.7) (Sep 5)
 - Platform Administrator created room Workshop on RTPA usabilit Evaluation (Aug 3)
 - Platform Administrator created room Dublin Traffic Congestion Problem (Jul 29)
 - Test (Jul 29)

3.5 HOW MANAGE YOUR USERS

This section shows you how to find specific users on SPOD platform, changes roles, profile etc.

To access the users function you will need to login to your admin dashboard and navigate to the Users section on the left side (see screenshot below)

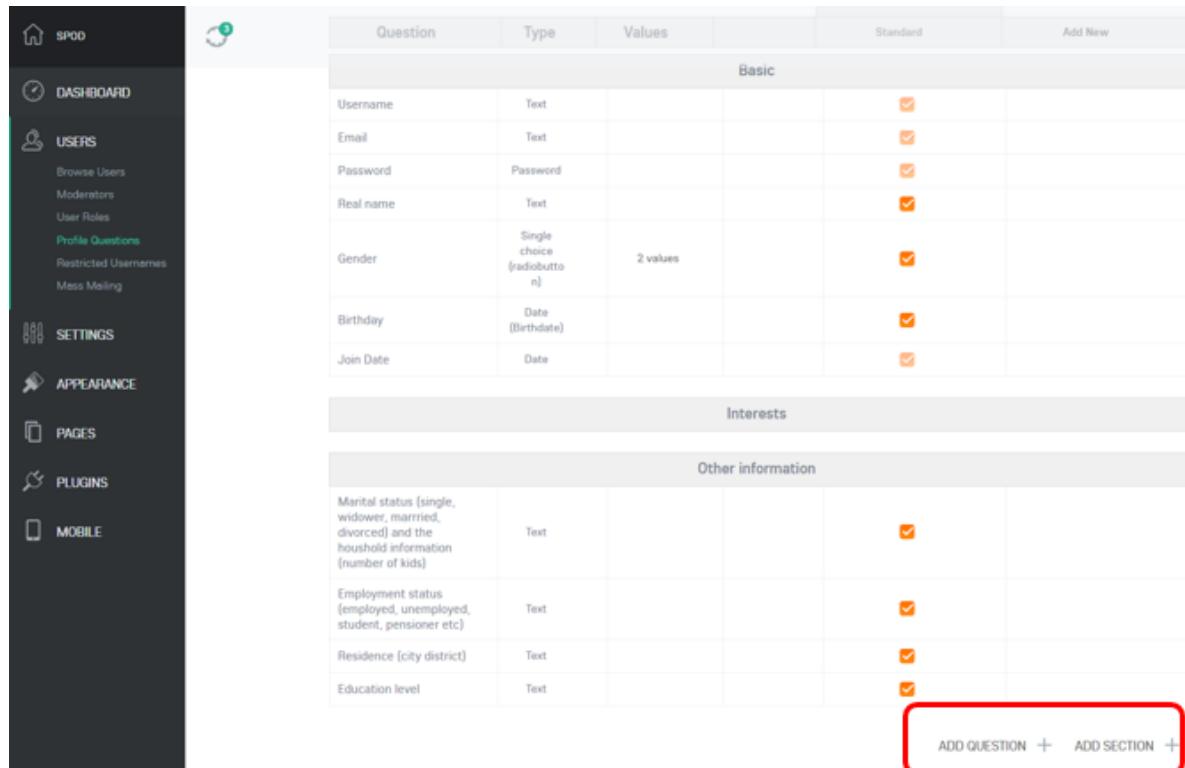

The screenshot shows the SPOD admin interface. On the left, a sidebar menu includes 'DASHBOARD', 'USERS' (which is selected and highlighted with a red box), 'SETTINGS', 'APPEARANCE', and 'PAGES'. The main content area is titled 'BROWSE USERS' and displays a list of 17 users. The user list includes columns for 'User', 'Status', and 'Joined'. A search bar at the top right allows filtering by 'Real name'. Below the user list, there are filters for 'RECENTLY ACTIVE', 'SUSPENDED', and 'UNVERIFIED'.

3.5.1 USER PROFILE

To access the “profile Questions” function you will need to login to your admin dashboard and navigate to the Users>> “Profile Question” section.

Click on “ADD SECTION ” to add a new section, named “Other information”

(Enabled only Prato platform in SPOD v. 1.9)

The screenshot shows the SPOD admin interface. On the left, a sidebar menu includes 'DASHBOARD', 'USERS', 'SETTINGS', 'APPEARANCE', 'PAGES', 'PLUGINS', and 'MOBILE'. The 'USERS' menu has a sub-item 'Profile Questions' which is selected and highlighted with a red box. The main content area shows a table of profile questions. The table has columns for 'Question', 'Type', 'Values', 'Standard', and 'Add New'. There are two sections: 'Basic' and 'Other information'. The 'Basic' section includes questions for Username, Email, Password, Real name, Gender (with a note for 'Single choice [radiobutton] 2 values'), Birthday, and Join Date. The 'Other information' section includes questions for Marital status, Employment status, Residence, and Education level. At the bottom right of the table, there is a red box around the 'Add New' button.

Here you can change information added by users about themselves.
You can change, rearrange, and add new profile questions.

Question	Type	Values	Standard	Properties
Basic				
Username	Text		<input checked="" type="checkbox"/>	
Email	Text		<input checked="" type="checkbox"/>	
Password	Password		<input checked="" type="checkbox"/>	
Real name	Text		<input checked="" type="checkbox"/>	
Gender	Single choice (radiobutton)	2 values	<input checked="" type="checkbox"/>	
Birthday	Date [Birthdate]		<input checked="" type="checkbox"/>	
Join Date	Date		<input checked="" type="checkbox"/>	
Interests				
Other information				
Marital status (single, widower, married, divorced) and the household information (number of kids)	Text		<input checked="" type="checkbox"/>	
Employment status (employed, unemployed, student, pensioner etc)	Text		<input checked="" type="checkbox"/>	
Residence (city district)	Text		<input checked="" type="checkbox"/>	
Education level	Text		<input checked="" type="checkbox"/>	

How edit the “Other information section”:

Interests				
Other information				
Marital status (single, widower, married, divorced) and the household information (number of kids)	Text	EDIT DELETE	<input checked="" type="checkbox"/>	
Employment status (employed, unemployed, student, pensioner etc)	Text		<input checked="" type="checkbox"/>	
Residence (city district)	Text		<input checked="" type="checkbox"/>	
Education level	Text		<input checked="" type="checkbox"/>	

[ADD QUESTION](#) + [ADD SECTION](#) +

Click on “EDIT” link and a new window appears (see screenshot below) to edit each field, for example the “Required” fields makes optional this question.

EDIT PROFILE QUESTION

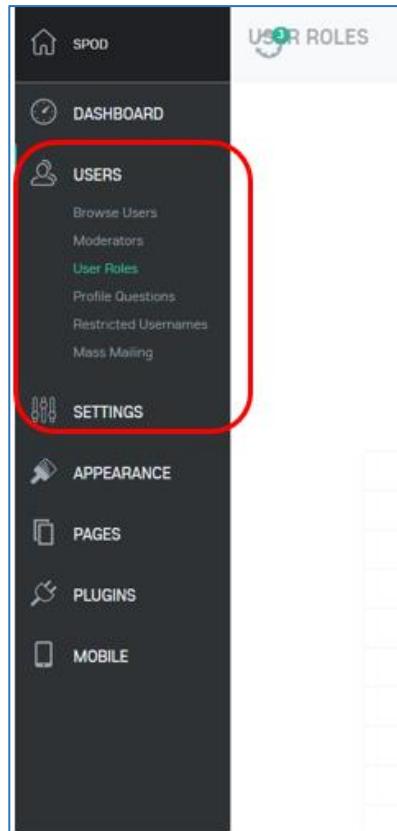

Question	Marital status (single, widower, married, divorced) and the household information (number of kids)	
Question description	No value	
Section	Other information	
Answer type	Text	
Required	<input type="checkbox"/>	The form will not submit if the user doesn't enter valid answer for this question
On Sign Up	<input checked="" type="checkbox"/>	The question should be on the registration page
On Profile Edit	<input checked="" type="checkbox"/>	The question should be available for user to edit
On Profile View	<input type="checkbox"/>	The question should be shown on profile view page
On Search	<input type="checkbox"/>	The question should be used for User Search

SAVE

3.5.2 HOW TO ADD A NEW ROLE

The user roles can be used to distinguish between users of SPOD platform. Additional features only available for specific users, create a custom User Role and add set users to it. To accomplish this, navigate to the **Users>User Roles** section of your admin area in SPOD platform (see screenshot below).

Now you can create a new User Role by typing a name for it on the **ADD button** (see screenshot below (1)). The example of the screenshot shows a new role, named “Agora Moderator”

User Role	# of Users	Label on avatar
Free default	7 100.0%	No

Add new role

Role Name: Agora Moderator

1

Actions		Guest	Free
Users		<input checked="" type="checkbox"/>	
Allow profile wall posts	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Search users	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
View profiles	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Newsfeed		<input checked="" type="checkbox"/>	
Allow status updates comments	<input checked="" type="checkbox"/>		
Allow status updates	<input checked="" type="checkbox"/>		
Friends		<input checked="" type="checkbox"/>	
Send friend request	<input checked="" type="checkbox"/>		

Additionally you will need to set up the permissions for that role. In the example, the new “Agora moderator” can create a room in the Agora

	Allow status updates comments	Allow status updates		
Events				
Add Events	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
View events	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Comment events	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Friends				
Send friend request	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Messages				
Read mails	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Start mail dialog	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Continue mail dialog	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

spodagora				
create_room	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
spodtchat				
view	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
add_comment	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
cocreation				
view	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
add_comment	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
spodnotification				
view	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
add_comment	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Once you have configured the new User Role according to your needs, click the “Save” button at the bottom of the page.

Select user as Moderator:

The screenshot shows a user profile page for 'Celia'. At the top, there are navigation links: Open wall, What's new, Members, My space, Agora, CoCreation, and a language switcher (EN). Below the header is a large profile picture of a woman with brown hair. To the right of the profile picture is a 'MORE' dropdown menu, which is expanded to show 'MODERATION' and a list of actions: Change Role, Mark as featured, Suspend, and Delete. A red box highlights the 'MODERATION' option and its dropdown menu.

Check the box to add the “Agora Moderator” role to the user:

The screenshot shows a 'USER ROLES' section. It includes a heading 'User Role' and a 'Free' price indicator. Below this, there is a list of roles. The 'Agora Moderator' role is highlighted with a red box around its checkbox and name. A red box also surrounds the entire 'Agora Moderator' row. At the bottom right is a 'SUBMIT' button with a right-pointing arrow.

In SPOD platform, the user can see create a new room in Agora:

3.5.5 MODERATOR OF THE COCREATION DATA ROOM

Modeartors with “**cocreation**” permissions will receive email notification when a new cocreation data room will be created.

The screenshot shows the SPoD admin interface. On the left, a sidebar menu includes 'DASHBOARD', 'UTENTI' (highlighted with a red box labeled '1'), 'IMPOSTAZIONI', 'ASPETTO', and 'PLUGINS'. The main area is titled 'MODERATORI' and displays a grid of user roles and their permissions. The grid has columns for 'Base', 'Admin', 'Newsfeed', 'spodpublic', and 'cocreation' (highlighted with a red box labeled '2'). The 'cocreation' row is selected.

3.5.6 PROFILE QUESTIONS

Here you can see and manage users' profile questions (create, edit, change their order and settings). Hover the mouse over question's name to see actions menu: delete and edit.

An example, edit the “Year Range” to change the range of the Birthday in the “user profile” on the platform:

The screenshot shows the SPoD user profile edit page. The top navigation bar includes 'What's new', 'Members', 'My space', 'Agora', 'CoCreation', and language options. The main title is 'Profile Edit'. The 'Basic' section contains fields for 'Username' (marco), 'Email' (marco@routetopa.eu), 'Real name' (Marco), 'Gender' (Male), and 'Birthday' (set to Jan 1, 1992). The 'Other information' section includes fields for 'Marital status' and 'Employment status' (both currently set to 'Studente'). A red box highlights the 'Birthday' input field.

To access the user **Profile Question** function you will need to login to your admin dashboard and navigate to the Users> **Profile Questions** section.

PROFILE QUESTIONS

Here you can change information added by users about themselves. You can change, rearrange, and add new profile questions.

Question	Type	Values	Standard	Properties
Basic				
Username	Text		<input checked="" type="checkbox"/>	
Email	Text		<input checked="" type="checkbox"/>	
Password	Password		<input checked="" type="checkbox"/>	
Real name	Text		<input checked="" type="checkbox"/>	
Gender	Single choice (radiobutton)	2 values	<input checked="" type="checkbox"/>	
Birthday	Date (Birthdate)		<input checked="" type="checkbox"/>	
Join Date	Date		<input checked="" type="checkbox"/>	
Interests				
Other information				
Marital status (single, widower, married, divorced) and the household information (number of kids)				
Employment status (employed, unemployed, student, pensioner etc)				

How edit the Birthday of an user to show in the user profile:

Question	Type	Values	Standard	Properties
Basic				
Username	Text		<input checked="" type="checkbox"/>	
Email	Text		<input checked="" type="checkbox"/>	
Password	Password		<input checked="" type="checkbox"/>	
Real name	Text		<input checked="" type="checkbox"/>	
Gender	Single choice (radiobutton)	2 values	<input checked="" type="checkbox"/>	
Birthday	Date (Birthdate)		<input checked="" type="checkbox"/>	
Join Date	Date		<input checked="" type="checkbox"/>	
Interests				
Other information				
Marital status (single, widower, married, divorced) and the household information (number of kids)				
Employment status (employed, unemployed, student, pensioner etc)				

Click on edit to modify “Year Range” field in the profile question:

EDIT PROFILE QUESTION

Question	Birthday	
Question description	No value	
Section	Basic	
Answer type	Date (Birthdate)	
Year Range	from 1926 to 2000 (Year Range)	
Required	<input checked="" type="checkbox"/>	The form will not submit if the user doesn't enter valid answer for this question
On Sign Up	<input checked="" type="checkbox"/>	The question should be on the registration page
On Profile Edit	<input checked="" type="checkbox"/>	The question should be available for user to edit
On Profile View	<input type="checkbox"/>	The question should be shown on profile view page
On Search	<input type="checkbox"/>	The question should be used for User Search

SAVE 

In general:

Note: Username, password, email, real name, gender and birthday are system fields and can not be deleted.

Editing sections and questions:

- To edit translation of sections' name hover the mouse over section's name and click edit button . To edit the question hover the mouse over question's name and click edit .
- Question - click on question's name to edit questions' name
- Question description- click on the description to edit it or on No value text to add a description.
- For account type- allows you to choose the account type for particular question.
- Section - choose the section under which the question will be displayed.
- Answer type- choose the type of answer from the drop down list. In case the answer type has several predefined options, those options will be displayed under the Answer type drop down. You can drag'n'drop options to change their order and add new values.
- Required - check this check box to make the field mandatory.
- On sign up - question should be on the registration page.
- On profile edit - question should be available for user to edit.
- On profile view - question should be shown on profile view page. Complete profile information will still be visible to profile owners, site administrator and moderators with admin rights.
- On search- question should be used for User Search.
- Note: Some actions can not be applied to system fields like username or password

4 PRIVACY SETTING

It is now possible to configure the SPOD so that Agora rooms are visible (read-only) from an unauthenticated user. By default, the situation is the same as before, i.e., the rooms are visible only to authenticated users, but it is possible to change it in the admin plugin, per site.

4.1 DISCUSSION IN AGORA WITH PRIVACY SETTING

Admin panel for Agora, to make visible or not the room's content:

The screenshot shows the SPOD Admin interface. On the left is a dark sidebar with icons and labels: DASHBOARD, USERS, SETTINGS, APPEARANCE, PAGES, PLUGINS, and MOBILE. The main area has a light background. At the top, there's a header with a circular icon containing '3' and a mail icon with '2'. Below the header, the word 'AGORA' is centered. Underneath 'AGORA' is a form with a red border. It contains a checkbox labeled 'Is visible for not logged users' which is checked. Below the form is a 'SAVE' button with a downward arrow. A large table below the form lists eight rooms, each with a delete icon ('X') and edit icons (pencil). The columns are labeled SUBJECT, BODY, # COMMENTS, # OPEN DATA, and CREATED. The data for the rooms is as follows:

This is an [OpenID](#) server endpoint available for the [ROUTE TO-PA Project](#).

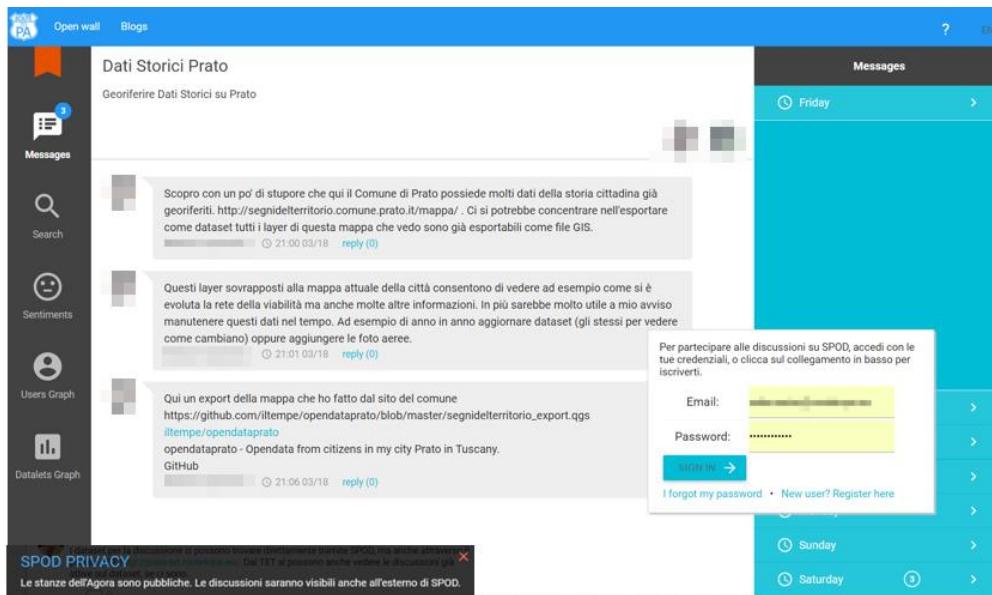

Pagina iniziale | CKAN classico | Lingua

A screenshot of the TET (Tool for Extracting and Transforming) search interface. The top navigation bar includes 'Página inicial', 'CKAN clásico', and 'Lingua'. The main search area features a magnifying glass icon over a map, with a search bar containing 'Wi-Fi' and a 'Ricerca' button. Below the search bar, common search terms are listed: 'Dublin', 'government', and 'traffic'. A note states: 'Le ricerche mediante TET si basano sulle risorse disponibili in <http://prato-tet.routetopa.eu:8080>. Attualmente ci sono 100 dataset pubblicati da 1 organizzazione.' At the bottom, there's a funding acknowledgment from the European Union's Horizon 2020 research and innovation programme under grant agreement No 645860.

Pagina iniziale | CKAN classico | Lingua

A screenshot of the TET search results for 'wi-fi'. The search bar shows 'wi-fi'. The results section displays 'Results: 2'. The first result is 'wi-fi free', described as 'Aree con copertura wi-fi ad accesso libero nel Comune di Prato'. The second result is 'Punti wi-fi ad accesso libero Del Comune di Prato e della Provincia di Prato', with a note explaining it lists points of access to the wi-fi network in the territory of Prato managed by the province of Prato. Both results have download icons (CSV, XLS, ZIP) and a 'View' link. At the bottom, there's a funding acknowledgment from the European Union's Horizon 2020 research and innovation programme under grant agreement No 645860.

An user already logged can see the discussion in the Agora and a login dialog appears to join the discussion:

4.2 PRIVACY IN EACH PAGE IN SPOD

How to add privacy for each page in SPOD platform for not logged users.

The “SPOD privacy” plugin must be active:

The screenshot shows the SPOD Admin Panel. The left sidebar includes links for DASHBOARD, USERS, SETTINGS, APPEARANCE, PAGES, and PLUGINS. Under PLUGINS, there is a sub-section for 'Installed Plugins' with options to 'Available Plugins' and 'Add New'. A red box highlights the 'SPOD Privacy' plugin entry, which includes 'SETTINGS', 'DEACTIVATE', and 'UNINSTALL' buttons. Other listed plugins include SPOD AGORA EXPORTER, SPOD APIs, SPOD Notification System, SPOD Open Data Enabler, SPOD Open wall, SPOD OpenID Connect, SPOD Private Room, SPOD Public Room, SPOD Threaded Chat, and SPOD Widgets.

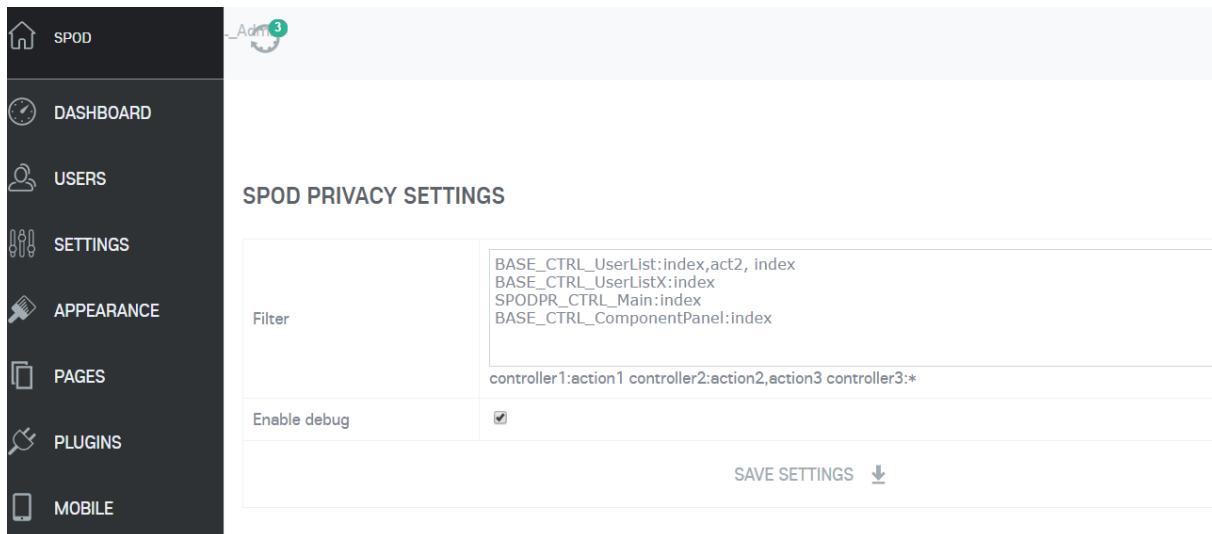

Click on “Settings” link:

The screenshot shows the 'SPOD PRIVACY SETTINGS' page. The left sidebar is identical to the previous one. The main area has a title 'SPOD PRIVACY SETTINGS' and contains a 'Filter' input field with the value 'BASE_CTRL_UserList:index,act2 BASE_CTRL_UserListX:index'. Below it is a 'Enable debug' checkbox which is checked. At the bottom is a 'SAVE SETTINGS' button.

First, enable “Enable debug” checkbox to read the Controller and action to add the setting in the “SPOD Privacy ” plugin, otherwise the following table shows the pair too add in the “Filter section”

Plugin	Controller:action
What's new	BASE_CTRL_ComponentPanel:index
Members	BASE_CTRL_UserList: index
My space	SPODPR_CTRL_Main: index
Agora	SPODPUBLIC_CTRL_Main:index
CoCreation	COCREATION_CTRL_Main:index

An example, to add privacy to the “What's new” page, adding in the Filter section the following values pair:
 BASE_CTRL_ComponentPanel:index and click on “Save Settings”

4.3 ACTIVITY NOTIFICATION FOR COCREATION ROOM

The administrator can set an user as moderator of the Cocreation (data) room

6 ADD NEW OPEN DATA PROVIDER WITH CACHING MECHANISM

This section describes how to add a new open data portal and updating with caching mechanism.

Select, among the Installed Plugins, the “SPOD Open Data Enabler” plugin and click on the “Settings” link

and a new UI showed. The “PROVIDERS” tab (see screenshot below (1)) allows to add new open data portals and updating of all new open data portal is done with filling out (specified quantity of the datasets of the Open Data provider, for example, 99999 allows a complete updating of all datasets in each provider) the “Create Cache” field and clicking on “CREATE CACHE” link (see screenshot below (2)).

7 LANGUAGE

This section describes how to modify the language to your translation requirements on whole platform also in the admin panel.

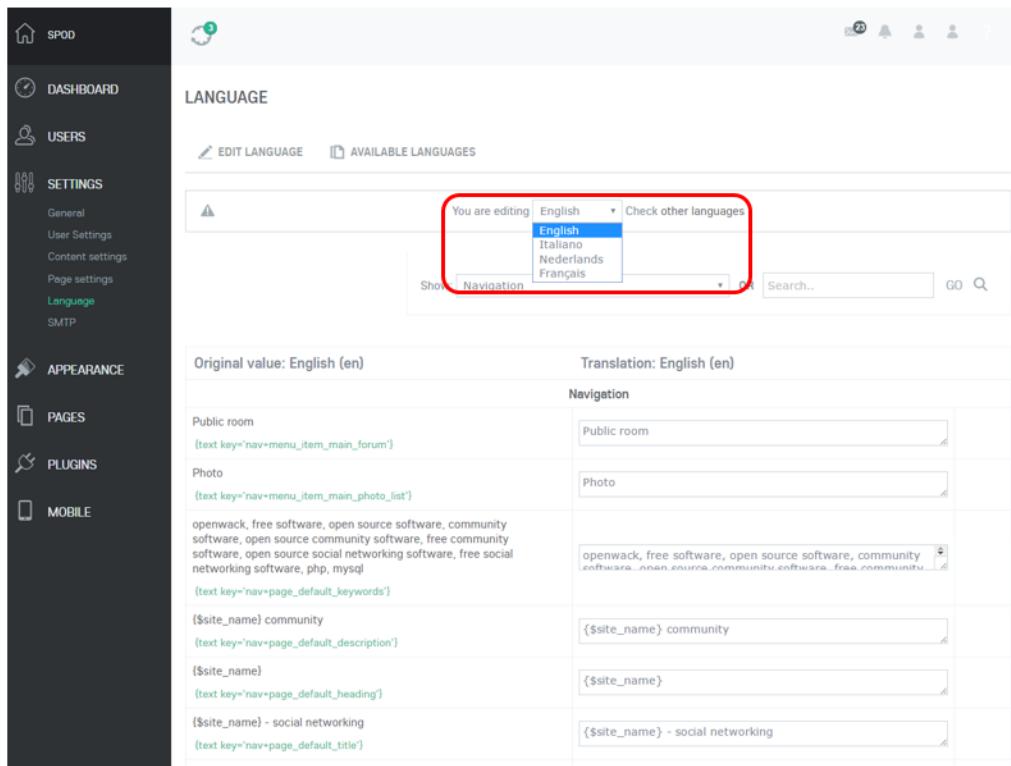

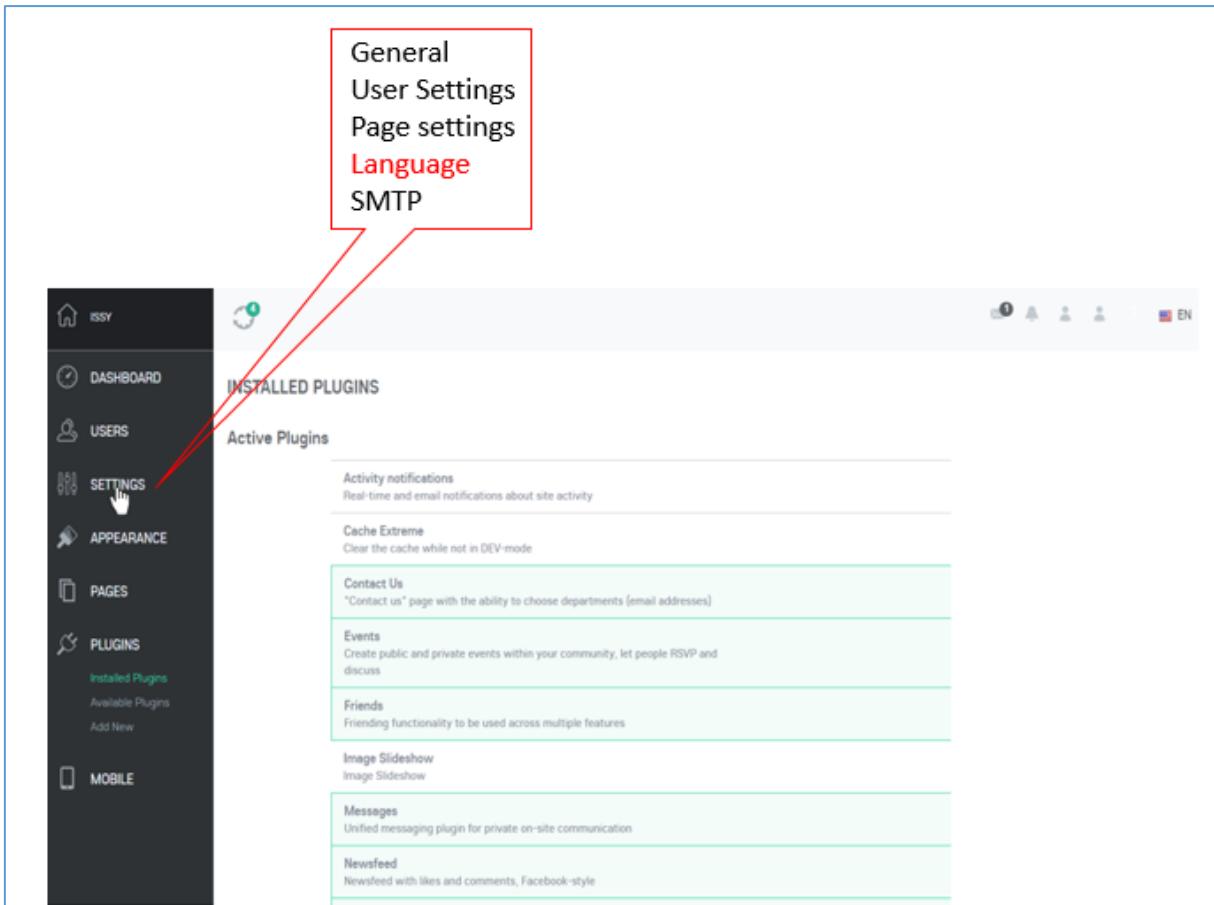

Figure 3: Management all languages (i.e., English, Italian, Nederland and French) on the SPOD

7.1 ADMIN PANEL (ENGLISH VERSION)

Got to SETTINGS -> Language (see screenshot below)

7.2 ADMIN PANEL: EDIT LANGUAGE (FRENCH VERSION)

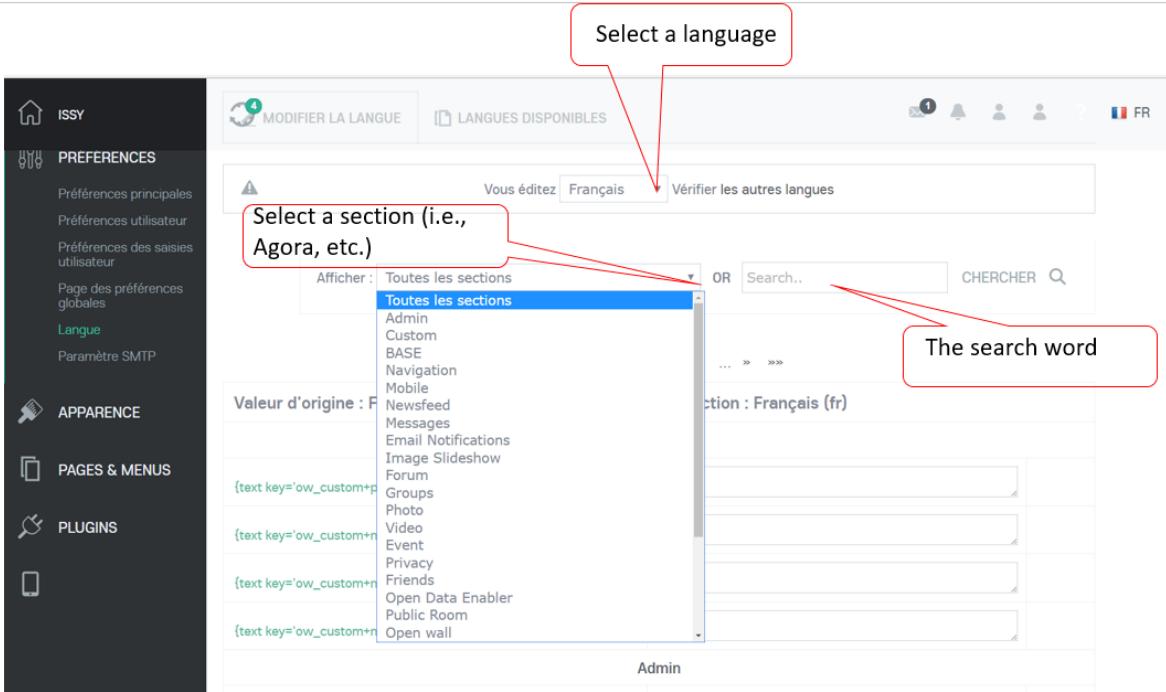

Got to PRÉFÉRENCES -> Langue (see screenshot below)

The screenshot shows the 'Paramètre SMTP' (SMTP Settings) page. On the left, a sidebar menu includes 'PRÉFÉRENCES' (Preferences), which is highlighted with a red arrow pointing to the 'Langue' (Language) section in the main content area. The main content area contains several sections: 'Préférences principales' (Main Preferences), 'Préférences utilisateur' (User Preferences), 'Préférences des saisies utilisateur' (User Input Preferences), 'Page des préférences globales' (Global Preferences Page), 'Langue' (Language), and 'Paramètre SMTP' (SMTP Settings). Below these are sections for 'GÉRER LES PLUGINS' (Manage Plugins) and 'Plugins actifs' (Active Plugins), listing various modules like Activity notifications, Cache Extreme, Contact Us, Events, Friends, Image Slideshow, Messages, Newsfeed, Photo, and Privacy.

After clicking the “Langue”, the following page opens and in the “MODIFIER LA LANGUE” section you can now modify very carefully each string.

The screenshot shows the 'MODIFIER LA LANGUE' (Modify Language) page. The sidebar menu includes 'PRÉFÉRENCES' (Preferences), with 'Langue' selected. The main content area has tabs for 'MODIFIER LA LANGUE' and 'LANGUES DISPONIBLES'. It features a search bar and a table for translating text keys. The table has two columns: 'Valeur d'origine : Français (fr)' (Original value: French (fr)) and 'Traduction : Français (fr)' (Translation: French (fr)). Rows include: (text key='ow_custom+perguntas_frequentes'), (text key='ow_custom+mobile_page_14788567_content'), (text key='ow_custom+mobile_page_14788567_title'), (text key='ow_custom+mobile_page_14788567'), (text key='admin+mail_template_admin_invalid_license_subject'), (text key='admin+mail_template_admin_invalid_license_content_text'), and (text key='admin_email_template_admin_invalid_license_content.html'). A 'Custom' section is also present.

You can select the language (i.e., EN, FR, IT, NL), the section (i.e., Agora, Cocreation, NewsFeed etc.) and/ or the text to search

7.2.1 EXAMPLE: EDIT LANGUAGE

If you know a string to modify, you can insert the text to search in the search form (on the right of the screenshot)

Afficher : OR CHERCHER

Example

To modify the text "fil de nouvelles" in the "Quoi de nouveau" page

The screenshot shows the SPOD platform homepage. At the top, there is a navigation bar with links: "Quoi de nouveau?", "Membres", "Agora", "Mon espace", "Co-Création", and "Événements". On the far right, there are icons for notifications, messages, and help, along with a "FR" language switcher. Below the navigation, there is a search bar with the placeholder "Quoi de neuf aujourd'hui ?" and a "PERSONNALISER CETTE PAGE" button. A red arrow points from the text "fil de nouvelles" to the search bar. To the left, there is a sidebar titled "Utilisateurs" with a "TOUS | EN LIGNE" status indicator. It shows a user profile icon and a small image. Below this, there is a welcome message for new users, links to "Vidéos en ligne" and "Manuel en ligne", and a "Chat" section. The main content area displays a news feed with several posts. One post by a user named "Ge presse et veille" is highlighted with a red arrow pointing to it.

In admin panel, the “LANGUE” page, insert the text, e.g. insert “fil de nouvelles”

The screenshot shows the SPOD admin panel's "LANGUE" page. The left sidebar includes links for "ACCUEIL", "MEMBRES", "PRÉFÉRENCES" (with sub-links for global preferences, user preferences, and keyboard shortcuts), "APPARENCE", "PAGES & MENUS", and "PLUGINS". The main content area has tabs for "MODIFIER LA LANGUE" and "LANGUES DISPONIBLES". A search bar at the top contains the text "fil de nouvelles", which is highlighted with a red box. Below the search bar, there is a message indicating the search result for the keyword "fil de nouvelles". The results table shows two rows under the "Newsfeed" category, both containing the text "fil de nouvelles".

The result of the search is the following:

Valeur d'origine : Français (fr)	Traduction : Français (fr)
Newsfeed	
fil de nouvelles {text key='newsfeed+widget_feed_title'}	fil de nouvelles
fil de nouvelles {text key='newsfeed+auth_group_label'}	fil de nouvelles
fil de nouvelles {text key='newsfeed+admin_page_title'}	fil de nouvelles
fil de nouvelles {text key='newsfeed+admin_page_heading'}	fil de nouvelles

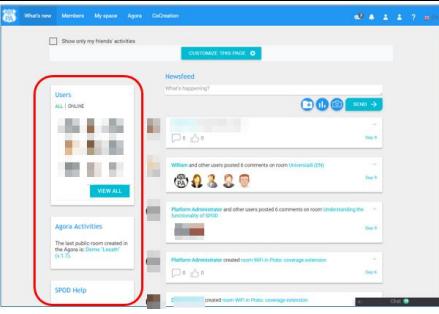

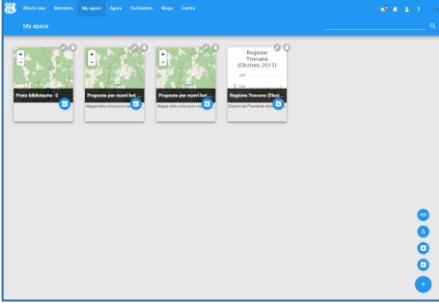

There are a key/value pair (key and value), on the left side, and the values to be changed on the right side each (see below screenshots)

Valeur d'origine : Français (fr)	Traduction : Français (fr)
Newsfeed	
fil de nouvelles {text key='newsfeed+widget_feed_title'}	fil de nouvelles
fil de nouvelles {text key='newsfeed+auth_group_label'}	fil de nouvelles
fil de nouvelles {text key='newsfeed+admin_page_title'}	fil de nouvelles
fil de nouvelles {text key='newsfeed+admin_page_heading'}	fil de nouvelles

7.2.2 HOW TO IDENTITY SECTIONS IN SPOD

Define a few names of keys to identify the corresponding page in SPOD platform:

Key	Description	Screenshots

Open Wall	First page before the authentication	
Open data enabler	Tooltip for Datalet Button	
Newsfeed	Identify the page: What's New (En) or Novità (It),	
Co-Creation Space for Knowledge and Data	Co creation data and knowledge rooms	
Agora	Agora and each discussion room in Agora
